

USING THE AALTO PUBLICATION PLATFORM TO PUT TOGETHER AND ORDER A PUBLICATION

- The publication platform has templates for covers and title pages.
- The contents of a publication is downloaded in pdf-format. It is best to make the contents fully ready before starting to enter the information for the covers and title pages.
- Publication is saved to the CART. It is possible to save parts of the publication at any stage and continue the work later.
- The system will combine all the publication parts into one PDF-file. Simultaneously the publication will be scaled from A4 to B5 size.
