Opit blog

[If you want to digitalize a service, process modeling is everything](#)

Author: Henna Paananen

Process work is the crucial starting point of the whole digitalization. Spending good time on the process first is definitely time well-spent, because if

[Behind the digital curtains](#)

Authors: Marko Riimala and Minna Vänskä

Have you ever thought why you still have to fill in a paper form and sign it by hand here in

[Oh my, I have 400 students in my course. What can I do?](#)

Authors: Tiina Lehtonen and Outi Rautakoura

Courses with 400 students are a reality in many schools. With digital tools, teachers can support student activity and learning even

[New Practices and Increased Digitalization!](#)

Authors: Katriina Korhonen, Petri Myllynen

The new year is well underway and as always, it is filled with hopes, expectations and plans, also some that have to

[Working together over unit and team borders](#)

Author: Jenni Sara

Aalto University had the honour of organising Opintoasiainpäivät from the 27th – to the 28 of September. Opintoasiainpäivät is national event put on by
