

# Missing programmes and academic years

[\[suomeksi\]](#) [\[på svenska\]](#)

In Sisu you can make your personal study plan for all degree programmes and academic years, except for those in the table below.

You might find it technically possible to create a plan for programmes/academic years included, but they are being renewed at the time and so they can change whenever. After the renewal all plans have to be created again.

All update requests and contacts: Jaakko Marttila ([jaakko.marttila@aalto.fi](mailto:jaakko.marttila@aalto.fi) & Teams chat message) tai [sisu@aalto.fi](mailto:sisu@aalto.fi)
