

Application for extension to the right to study 2021

[Suomeksi] [på svenska]

Functionality is not in use

Application for extension to the right to study is not in use at Aalto University. It will be available in March 2022.

Extension to the right to study is applied via [eAge application](#).

See more information at:

- [Application for extension to the right to study - Student life - Into \(aalto.fi\)](#)
- [Aalto University policy on extension to duration of studies - Academic policies and regulations - Into](#)

Degree programmes will give more instructions during the Spring term how to apply for extension if needed.
